

STEAMFITTERS LOCAL 602 APPRENTICESHIP SCHOOL CALENDAR 2019-2020

Notice to all Apprentices and Instructors:

Attached is the school calendar for the school year. This calendar is a useful tool that shows things such as the dates of classes changing & the notice of classes/events you may be required to attend. Your school calendar should be kept in an accessible & safe place. Check it frequently for any event coming up where your participation may be required. You will be held responsible for the information given to you in this calendar. Failure to pay attention to your school calendar may result in missing a mandatory class or event.

Inclement Weather Policy

In the event of inclement weather, ALL locations will follow the decision of **Prince George's County Community College**. If the school system is closed or closes early, our facilities will be closed. If the school system opens late, there will be no affect to our classes. Saturday classes are also subject to this policy. Go to <http://scripts.pgcc.edu/owlalert/> to receive closing information directly from PGCC. Follow PGCC's announcement on all major news networks or use the above link to be notified directly. Do not call the school or union hall to determine if the schools are open or closed.

Union sponsored events are not subject to this policy.

All start at 4:30 p.m.

You must be present for all 4 classes in order to test!

Absences in a mandatory CFC class count towards your yearly attendance

If you request a test and do not show, you will be assessed a no-show fine

You will not receive another test until you pay your no-show fine

All CFC classes are open to any apprentice who wishes to attend - however, if it shows as mandatory for your class, you must go

Only a Universal Certification (that has already been turned into the office) excuses you from a mandatory CFC class

Please call the office if you have questions or concerns (301-341-1555)

If you do not fill out your CFC application neatly and completely, it will be denied.
